We aim to connect artists and creative people to their audience and to the tools they use to get their message out. The scope of what we mean by multimedia is vast, and the topic of this blog focuses on the range of music, culture and art that integrates these various forms of expression and communication. Welcome to the AlasdaG world. On our blog you will find tutorials, tutorials, and tutorials. The tutorials are visual or audio, and they can be in your native language or easily translated into the language of your choice. In the coming months, we plan to develop a series of articles that focus on the use of digital technology in music and the arts. We invite all creative people to contribute their stories to help develop our resources for artists. Join the group (alsdag on Youtube) to ask questions and comment. If you're interested 3da54e8ca3
